

Spend the summer relaxing and soaking up the sun at the most desirable swim & tennis club in Summit County. Fairlawn Swim & Tennis offers two sparkling pools to dive into or maybe you just want to hit some balls on the fabulous tennis courts. The private club offers members a safe environment, with many opportunities to enjoy recreation, fun, friendship and build team spirit.

While the amenities at Fairlawn Swim and Tennis Club are outstanding and state-of-the-art, the club offers its members something even more valuable: a chance to get away from everyday life and become part of the FS&T community. Our members are fun, friendly and family oriented, and they go out of their way to make new members feel welcome. Discover for yourself – it is the people at the club that make Fairlawn Swim & Tennis the “Premiere Swim and Tennis Club in Summit County.”
